MEMORANDUM FOR INCOMING WTB SOLDIERS

SUBJECT: Welcome to Headquarters and Headquarters Company, Warrior Transition Battalion, Fort Gordon, GA 30905

Welcome to the HHC, WTB. Please allow me to extend my best wishes to you and your family, as you're now a part of our team. Our main objective is to care and meet your needs physically, mentally, and spiritually. It is our goal to establish the conditions for your healing and to promote a timely return to the force or transition to civilian life.

Your assignment to this unit means that you are wounded, ill, or have been injured in the line of duty. Our purpose here is to ensure you receive the best care, both medically and administratively, in order for you to heal and transition. I believe that you could be in no better place for treatment. This unit's cadre and support staff are committed to providing you with outstanding leadership, administrative support, and healthcare.

You will develop relationships with your assigned squad leader, clinical case manager, and primary care provider; all of whom are critical to your success here at the Warrior Transition Battalion. There are many services within the Battalion and throughout the Fort Gordon community that will assist you and your family in any way possible.

On behalf of our cadre, I want to personally thank you for the sacrifices you have made in support of the defense of this great Nation. You are a true patriot for answering the call to duty. If you have any questions or concerns, please do not hesitate to contact me at 706-910-7674.
